SHAPING SMART LIGHTING

## ABOUT US

OPTOL (formerly known as AUTORAMAA) has been designing and manufacturing high quality LED lighting products for more than a decade.

We have in-house capabilities to design, engineer, test and prototype fixtures requiring complicated customisation and reach different segments in energy efficient lighting market.

Our product line covers entire range of indoor and outdoor luminaries, which have been used in various prestigious projects in India and abroad.

Our scope does not end with supply. A trained technical team provides customers with supervision, installation and back end support for a trouble free execution and commissioning of projects.

Our growing customer base world-wide is a reflection of our commitment to providing cutting edge products and it's our constant endeavour to provide professionally quality service at all times.

At Optol, all we do is LED...

## LED GLOW LIGHTS

---

OPTOL, SMART LED lighting manufacturer introduces a unique product for decoration of outdoor spaces.

The objective of introducing decorative glow lights is to beautify urban landscapes and outdoor spaces. The glow light products are made from sustainable materials and feature captivating designs which can be customized and will make any outdoor space a visual treat for the eyes. In daylight, the glow light decorations look like sculptures seen in parks and gardens. With the lights at nights, the sculptures become an appealing light decoration.

## FEATURES

- Made from light weight FRP material
- Robust and durable- Rain and Wind resistant
- The lights can be customized in different sizes and shapes
- Designed, developed and manufactured in India
