SHAPING SMART LIGHTING

## ABOUT US

OPTOL (formerly known as AUTORAMAA) has been designing and manufacturing high quality LED lighting products for more than a decade.

We have in-house capabilities to design, engineer, test and prototype fixtures requiring complicated customisation and reach different segments in energy efficient lighting market.

Our product line covers entire range of indoor and outdoor luminaries, which have been used in various prestigious projects in India and abroad.

Our scope does not end with supply. A trained technical team provides customers with supervision, installation and back end support for a trouble free execution and commissioning of projects.

Our growing customer base world-wide is a reflection of our commitment to providing cutting edge products and it's our constant endeavour to provide professionally quality service at all times.

At Optol, all we do is LED...

## LED MOTIF LIGHTS

---

OPTOL, SMART LED lighting manufacturer introduces a unique product for decoration on poles of street lights.

The objective is for beautification of streets using lighted up motifs which enhance the look of urban landscape and outdoorspaces. The Motif lights are robust using waterproof leds and last in all environmental conditions. The lights come in a variety of designs and patterns creating a mesmerizing ambience for any occasion. Whether it's a seasonal festival, a special event, or a permanent installation, motif lights shine brightly, inviting visitors and leaving a lasting impression on all who encounter them.

## FEATURES
